Assignment 1.1:

Prepare a short presentation, summarizing related work for your project.

Assignment 1.2:

Prepare a document, including:

1. List of team members (mandatory) and roles/responsibilities (optional)

2. (Preliminary) title of the project (mandatory)

3. Introduction of the project (mandatory, min: 150 words)

4. Research question(s), which will be addressed in the project (mandatory)

5. Hypothesis/hypotheses or assumption(s) (mandatory)

6. (Preliminary) schedule for the HCD process (mandatory)

7. Step1: Plan of the HCD process (mandatory: min 150 words)

Notes:

Send the presentation (or a link to it) and the document to *aslan@hcm-lab.de* before the next lecture starts, i.e., 2pm, 10th November
